BE A FOODCYCLER!

It's easy to do!

Here's what you can use to collect food scraps before you add it to you compost cart:

1.
   A stylish compost pail.

2.
   A reusable kitchen container, such as an old pitcher.

3.
   A paper bag or an approved compostable bag.

Empty collected food scraps into your compost cart.
Your compost cart will be picked up on your next collection day.

Extra Yard Waste: There is a charge for extra yard waste. Put extra yard waste in large yard and leaf paper bag or 32-gallon containers with handles and lids (65 lb. limit); label "yard". Use the yard and leaf paper bags to store extra yard debris only. Food scraps and uncoated paper must be placed in the compost cart.
