3noNETWORKING

Please join us for the **3noNetworking** business mixers

Members of the business community and interested citizens are invited to drop in and meet each other in an informal setting. Share thoughts, collaborate on ideas, create synergy, combine efforts, talk about your business's needs, find resources, leverage neighboring assets (skills, education, training, research), put yourself out there, be involved. Mixers are held weekly on Thursdays from 5:30 to 7:30 p.m. The location rotates through several Auburn venues.
