

City of Auburn
Solid Waste Collection RFB Addendum #2
September 12, 2016

Notices:

Please remember to acknowledge receipt of this Addendum on the appropriate place on your Form 5, Certification and to use the correct (attached) version of the Form 2a with your proposal.

1. It has been brought to the City's attention that the RFP's Form 2a instructions for Alternative #2 (Retain Status Quo Customer Service) request the value of the alternative as a monthly lump sum amount while the actual Form 2a cell description for that alternative requests an amount per customer. The Form 2a instructions are correct, not the cell description on the Form 2a distributed with Addendum #1. Please use the corrected Form 2a with the filename "Attachment A to Addendum #2 Auburn RFB Appendix D - Form2a 091216.xlsx" when submitting your bid proposal. No other changes have been made to the attached Form 2a.
