Solid Waste Rates

Residential Customers

Garbage rates vary by container size, ranging from a 10-gallon microcan to a 96-gallon cart. There is a \$10.83 fee for extra units of garbage that do not fit inside your can with the lid closed. Please have your garbage, recycling and compostables out for collection by 7 a.m.

As of January 1, 2014 the following monthly rates apply for weekly curbside garbage collection:

<i>One time per week service</i>	<i>Rate/Mo.</i>	Rates shown do not include taxes and fees. Garbage is collected weekly.
