

Tell us what you think.

We work hard to connect you to information about recycling, waste reduction and disposal options, and would like your feedback.

Tell us what you think by taking our 2014 Residential Recycle Survey at www.auburnwa.gov/solidwaste or scan the QR Code (top right).

Your responses will help us to determine what outreach and education we should focus on and how to improve our services to you. If you do not have access to a computer, you can pick up a copy at the City of Auburn Utilities Customer Service Center (1 E Main St., 2nd Floor) or you can call and we will mail you a survey to fill out and return.

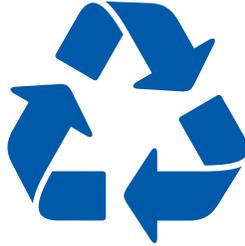

Thank you in advance for your support!

Survey ends December 31, 2014
