

# COMPOST | FOOD SCRAPS AND YARD DEBRIS

These things go in your compost cart.

## FOOD SCRAPS AND LEFTOVERS

## PAPERS WITHOUT THE EXTRA LAYER

### Including:

- Papers without coating, non-glossy papers, containers, plates and boxes

Paper goods and boxes that are soiled or greased by food are ok.

## PLANTS, FLOWERS AND YARD DEBRIS

### Including:

- Plants, grass clippings, and leaves  
(Remove the plastic pots, rope, gardening tape and twist ties)
- Leaves, trees, tree branches and roots  
(Cut them such that they are no longer than 4 ft. (91.4 cm) in length and 4 inches (10.2 cm) in diameter)

Remove candles from Jack o lanterns

## NO COOKING OIL, PET WASTE, GLASS, METAL, PLASTIC, OR FLUIDS

## BE A FOODCYCLER!

### This is easy to do!

Before putting food scraps into the compost carts, you can use these to collect them:

1

A stylish compost bucket.

2

A reusable kitchen container, such as an old pitcher.

3

A paper bag or an approved compostable bag.

Put collected food scraps into your compost carts. Your compost cart will be picked up the next day of collection.

### Additional yard waste:

Additional yard waste is charged. Additional waste from your yard should be put in a big yard and leaves paper bag or 32-gallon containers with handles and lids (Limit 65-pound, 29.48 kg); write "yard" on the bag or container. Use the large yard and leaves paper bags for keeping the additional yard debris only. Food scraps and non-coated paper must be placed in compost carts.
