YOUR INFO

PASSPORT

Auburn has some amazing parks, and you probably do not know about all of them. Come find the 20 newly placed geocaches in some of Auburn's parks and discover everything these areas have to offer in beautiful amenities and opportunities for more geocaches.

Geocaching is a real-world, outdoor treasure hunt using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache container hidden at that location.

- Find these 20 geocaches and record their specific code words in this passport.
- Once you've completed this passport, you can receive a geocoin prize by filling out the form to the right and mailing it to the Auburn Geocaching Adventure address listed.
- We suggest you keep a copy of the completed passport in case it gets lost.
- Be sure to log your finds on the individual cache pages at www.geocaching.com so we can read about your adventures!
- Geocoins are limited to one per family/ household while supplies last.

After you find the 20 geocaches, return this passport and we will send you a beautiful trackable geocoin!

GEOCOIN

This is the beautiful geocoin that will be given to the first 200 people who find all 20 new geocaches placed for the Auburn Geocaching Adventure 2015. Those who complete the Adventure at the Opening Event may return to Event site to receive their coin, but after 5:00 p.m. on 10/17/15, you will need to mail your passport to the Auburn Geocaching Adventure address as listed on the back of the passport.

QUICK SURVEY: Please take a moment to answer a few questions about your geocaching experience.

How many people are in your group? _____

Did you stay overnight? _____ # nights _____

How familiar were you with the Auburn area before your trip? (1) (2) (3) (4) (5)

What other activities did you do while in the area?

Any other comments?
