SPECIALIZED RECREATION PROGRAMS

Auburn Specialized Recreation Programs are committed to providing opportunities for quality social and recreational experiences for people of all ages and abilities in the least restrictive environment. We provide a variety of inclusive opportunities as well as adaptive programs designed specifically for persons with disabilities. We believe everyone should have the opportunity to participate in social and recreational programs within their own community. The Auburn Parks, Arts & Recreation Department welcomes and encourages youth, teens and adults with special needs to register for any program. Additional programs are listed in our Auburn Parks, Arts & Recreation Guide.

MONDAY NIGHT SOCIAL PROGRAM

Young Generation Club (YGC) provides social and recreational opportunities for people with developmental disabilities, ages 18 and over. Hundreds of disabled adults have participated in the program over the past 40 years.

RECREATE TOGETHER

Shared experiences can develop social and leadership skills, build friendships, broaden understanding and create memories for friends, families, and groups.

ADA ACCOMMODATIONS

The City of Auburn provides reasonable accommodations for those with disabilities. Please contact the Auburn Parks, Arts & Recreation Administration Office two weeks in advance of the program start date to discuss any special accommodations necessary. Accommodations will be determined on a case by case basis.

SPECIAL FRIENDS AND VOLUNTEERS

Volunteers are crucial for Specialized Recreation Programs. If you enjoy sports, art or social development, we need you. Expertise is not required and supportive training is offered. Volunteers must be at least 14-years-old. If interested, please contact us for a volunteer application packet.

ONE-ON-ONE SUPERVISION

In order to assist our staff and provide better service we would appreciate being alerted to possible behavioral/medical concerns before the class begins. Specialized Recreation staff are here to provide leadership to the programs. They are unable to provide attendant care (toilet transfers, giving medication, etc.) or provide one-on-one behavior management care. Attendants may participate in our programs free of charge when assisting participants who need one-on-one assistance. Should any participant behave in a manner that is threatening the safety of staff, fellow participants or themselves, they may be dismissed from the program.

WAIT LISTS AND TRIP REQUIREMENTS

If a trip or program is full when you register, please ask to be placed on the wait list. You will not be charged the program fee when you are placed on the wait list. If space becomes available or if additional trips are planned, you will be called and payment will be due at that time. All trips have a minimum and maximum number of participants.
