It is further provided that if the Permit authorizes the movement of an oversized load that the person or persons moving such oversized load shall indemnify and save harmless any franchisee or lessee and the City from any and all damages or claims of any kind or nature caused directly or indirectly for temporary arrangement of the lines and poles of a franchisee or lessee to accommodate the movement of such oversized load through the City.

It is further specifically and expressly understood that the indemnification provided herein constitutes the Permittee’s waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification.
