COMPREHENSIVE PLAN TEXT AMENDMENT APPLICATION PACKET

COMPREHENSIVE PLAN TEXT AMENDMENT APPLICATION – INTRODUCTION

**Due to State & City laws limiting amendments to once a year,
the city must establish an application deadline - please see City website for deadline information.**

What is the Comprehensive Plan?

The City's comprehensive plan encompasses the goals, objectives, and policies intended to guide the City's future physical development. The comprehensive plan map applies the aforementioned goals, objectives, and policies to the various areas of the City.

Who may file text amendments to the Comprehensive Plan?

Individuals, organizations, partnerships, corporations, and public agencies are eligible to submit applications for a comprehensive plan map amendment.

How often is the Comprehensive Plan text amended?

The comprehensive plan is to be amended no more than once per annual cycle and no less than once every seven years. Exceptions to the annual cycle for amendment can be found under Section C of Auburn City Code (ACC) 14.22.060. **Applicants are encouraged to submit applications earlier than the deadline to increase likelihood of consideration in this year's amendment cycle.**

How else can the Comprehensive Plan text be amended?

Any non-site specific comprehensive plan amendment may be submitted, no fees attached, at any time to the Planning Director, who will maintain a list, called the Docket, suggesting changes to or identifying deficiencies within the comprehensive plan. Taking into consideration also, the assessment of the comprehensive plan (based on standards outlined in Section A of ACC 14.22.070), the Planning Director will annually confer with City Council and/or the Planning and Development Committee and decide whether or not to move forward with considering the proposed amendments for adoption. See ACC 14.22.080 for more information on Docketing.

What is SEPA and how does it apply to text Comprehensive Plan amendments?

Comprehensive plan text amendments may be subject to compliance with the Washington State Environmental Policy Act (SEPA) based on the presence of environmentally critical areas; projects that exceed specific thresholds (e.g. grading, number of dwelling units, timber removal, size of building); projects that require licensing for air emissions or discharges to water; or other factors. WAC 197-11-800 provides the specific thresholds which determine whether SEPA is required. If subject to SEPA, an environmental checklist application must be submitted with the application. After the Notice of Application comment period expires, the Planning Director – who is the City's SEPA Responsible Official - issues a SEPA threshold determination (TD), or other SEPA decision as provided in ACC 16.06, RCW 43.21 and WAC 197-11. The SEPA decision is final unless the TD is appealed or the City revises the TD based on further comments during the appeal period. If the SEPA Responsible Official issues a Determination of Significance (DS) because of probable significant impacts by the proposal, an Environmental Impact Statement (EIS) will be required before the City makes any decision on this application.

Applications involving complex environmental issues, such as those requiring an EIS, may need to be considered during the following year's amendment cycle.

COMPREHENSIVE PLAN TEXT AMENDMENT APPLICATION – INTRODUCTION [CONTINUED]

How long before I am notified if my application is complete?

At the time you submit an application, you must submit all of the written and graphic information listed in this application under “Comprehensive Plan Amendment Application Submittal Checklist”: Within 28 calendar days of receiving your application, City staff will determine if the application is complete based on the attached checklist. If your application is complete you will be notified in writing by City staff. If your application is not complete, you will receive a letter from City staff detailing required information to make your application complete.

How long before I know the Comprehensive Plan amendment has been approved or denied?

Comprehensive Plan amendments are submitted in June. Following completion of environmental review and the preparation of a staff recommendation, all comprehensive plan amendment applications received within the annual review cycle will be simultaneously forwarded to the City of Auburn Planning Commission for public hearing in the fall. Following the Planning Commission public hearing and recommendation, the City Council will consider the amendments. Final action by the Auburn City Council typically occurs during the month of December.

PLEASE NOTE: Applicants are responsible for complying with all City Codes and ordinances; and should review all City regulations that may be applicable to their proposed project. For assistance in determining which regulations are applicable, please contact the City of Auburn Permit Center.
