15. Describe the location of the emergency vehicle access:

16. Additional information:

TEMPORARY USE PERMIT APPROVAL

Event Description: _____

Event Location: _____ **Event Date(s):** _____

CONDITIONS OF APPROVAL:

1. This permit is non-transferable and is valid for the above named applicant or an agent of the above named applicant only.
2. The Temporary Use shall take place on _____, and observe the following timeframes:
 - Set up: _____
 - Event: _____
 - Take down: _____
3. Temporary structures (i.e. tents) on-site shall not exceed 75' in height and must be located such that it does not create a sight distance, impede vehicle or pedestrian circulation in a manner that results in a public safety concern.
4. Temporary structures (i.e. tents) in excess of 400 square feet must apply for and obtain a tent permit and inspection from the Valley Regional Fire Authority (VRFA) in advance of the event.
5. Applications for small (such as 10 ft. by 10 ft.) individual tent sizes set up side by side totaling no greater than 700 SF for events and vendors will not require a tent permit. A 12-foot clear area separation is required when tents are grouped side by side and exceed 700 aggregate square feet. (Example: seven (7) 100 SF tents in a row must provide a 12-foot separation prior to another tent).
6. Tents or membrane structures and their appurtenances shall be adequately roped, braced, and anchored to withstand the elements of weather and prevent collapse.
7. There shall be no on-site vehicle washing, detailing or repair authorized by this Temporary Use Permit.
8. Fluid or waste disposal into manholes, catch basins, or surface waters is prohibited.
9. Any items associated with the event, such as tents and fences, shall not obstruct the visibility of traffic on adjacent roads, driveways, and parking areas.
10. Food trucks must receive an inspection by VRFA in advance of the event, but no more than 6 months prior to the event. To schedule an inspection, please contact the VFRA Fire Marshall's office at 253.288.5870 at least 48 hours prior to the event. A fee will be charged for inspections scheduled outside of regular business hours.
11. The applicant shall maintain an unobstructed 20-foot fire lane between the public right-of-way and the entrance of the event and shall not block access to fire hydrants.
12. The event shall maintain compliance with ACC18.46A.080 "Approval Criteria" listed on Page 5 of this application, at all times.
13. _____
14. _____

APPROVAL, subject to the conditions stated above and compliance with the approval criteria stated on page 5:

Community Development & Public Works Department

Signature: _____

Date: _____

ACC18.46A.080 Approval criteria:

The planning director or designee may approve, or modify and approve, an application for a temporary use permit if all of the application satisfies all of the following criteria:

- A. The temporary use will not be materially detrimental to the public health, safety or welfare, nor injurious to property or improvements in the immediate vicinity;
- B. The temporary use is compatible with the purpose and intent of this title, and the specific zoning district in which it will be located;
- C. The temporary use is compatible in intensity and appearance with existing land uses in the immediate vicinity;
- D. Structures proposed in association with a temporary use permit will comply with the applicable setback and vision clearance area requirements, and with applicable provisions of the building and fire codes;
- E. Adequate parking is available to serve the temporary use and, if applicable, the temporary use does not occupy required off-street parking areas for adjacent or nearby uses;
- F. Hours of operation of the temporary use are specified;
- G. The temporary use can comply with applicable provisions of ACC 18.46A.090;
- H. The impacts associated with the temporary use can be mitigated through the application of conditions of approval, as applicable.

ACC18.46A.090 Performance Standards

The planning director or designee shall require compliance to the following performance standards for all authorized temporary use permits and may approve, or modify and approve, an application for a temporary use permit if the application satisfies all of the following criteria:

- A. Temporary uses shall, at all times, comply with all local, state or federal standards and regulations, as applicable, pertinent to the type of temporary use being conducted;
- B. Temporary uses shall obtain and maintain all other local, state and federal required permits and licenses prior to and during the authorization period for a temporary use;
- C. Temporary uses shall comply, as applicable, with the performance standards specified in ACC 18.31.180;
- D. Temporary uses shall not generate life safety hazards. Specific mitigating conditions may be required by the planning director or designee

SUBMITTAL CHECKLIST

APPLICATION FEES - Make checks payable to the City of Auburn

- Applicable filing fee(s), if any, as established in the current City of Auburn Fee Schedule and relevant deposit(s), if any, as permitted or required by other chapters or sections of the Auburn City Code. Current fee schedule can be found at <http://www.auburnwa.gov/forms>

WRITTEN & PLAN MATERIALS

- A. **APPLICATION FORM.** Provide a completed Master Land Use Application Form
- B. **SITE PLAN:** See attached site plan example and requirements. **Applications will not be accepted without a site plan.**
- C. **NON-PROFIT STATUS VERIFICATION, if applicable.** Provide **one (1) copy** verification of your non-profit status.
- D. **FOOD VENDING LICENSE, if applicable.** Provide **one (1) copy** of current license from King County Department of Health.
