Solid Waste Collection RFP Addendum #1
January 31, 2020

Please acknowledge receipt of this Addendum on the appropriate place on your proposal Form 5, Certification.

Notices:

1. The Form 2 issued with the RFP did not include the recycling tonnage to be used to evaluate proponents’ recycling value. The revised Form 2 provided with this Addendum includes the 2019 tonnage reported by WMI and Republic Services. Although actual recycling collection quantities will likely be different in 2021, the 2019 tonnage will be used for the purpose of evaluating rate proposals.

2. As noted in the RFP, a second round of questions will be accepted by the City no later than 3:00 PM February 14, 2020.
