

## 2019 Auburn Int'l Farmers Market "Funny Money"

Treat all customers the same, and charge them the same. No change is to be given back for Tokens, Fresh Bucks, WIC or SFMNP. At the end of each Market bring your RED bag to the info booth, we will count all currencies and give you a receipt. You will be reimbursed by the City, by mail.

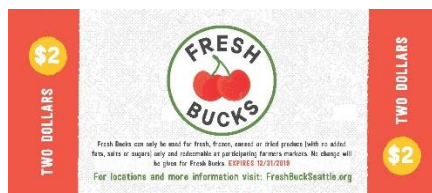

Please **ONLY** accept Auburn Int'l Farmers Market EBT Tokens, pictured. EBT Tokens from other Markets should not be accepted and will not be reimbursed. EBT Tokens are in \$1 value each.

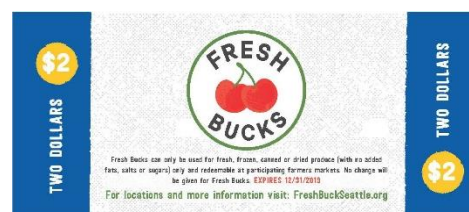

**How it works:** Customers will swipe their EBT card at the info booth for x-amount and receive x-amount in tokens.

**What can be bought with tokens:** breads, fruits, honey, vegetables, meat, fish & poultry to take home, dairy products, seeds and plants that produce food.

**What CANNOT be bought with tokens:** Any non-food items, crafts, hot or ready-to-eat foods like kettle corn, hot dogs, burgers, or food from a food truck.

**RED** and **BLUE** 2019 Fresh Bucks should be accepted and will be reimbursed. **DO NOT** accept green Fresh Bucks, they will not be reimbursed. Fresh Bucks are \$2 in value each.

**How it works:** Customers will swipe their EBT cards at the info booth and will be matched at \$2 increments in Fresh Bucks. Ex.) Swipe for \$12, receive \$12 of Fresh Bucks (in addition to the \$12 in tokens).

**What can be bought with Fresh Bucks:** PRODUCE ONLY. Fruits, vegetables, plants which produce food, mushrooms.

**What CANNOT be bought with Fresh Bucks:** Any non-food items, crafts, cheeses, breads, seeds, fish & poultry, honey, dairy products, hot or ready-to-eat foods like kettle corn, hot dogs, burgers, or food from a food truck.

**WIC and SFMNP** checks should **ONLY** be accepted by vendors who have applied through the Department of Health. If you are unsure if you can accept these checks, please see the Market Manager. They have a list of approved vendors.

**How it works:** Customers receive checks from WIC clinics and bring them to the Market. They can spend them at approved vendor booths.

**What can be bought with WIC & SFMNP checks:** Fruits and veggies. Honey can be purchased using SFMNP checks only – not WIC.

**What CANNOT be bought with WIC and SFMNP checks:** hot or ready to eat foods, plant starts, processed foods, breads, dairy products, fish & poultry, crafts or food from a food truck.
