If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity.

**Auburn Community “Teen” Players: Bring It On The Musical**

Book by JEFF WHITTY , Music by TOM KITT & LIN-MANUEL MIRANDA, Lyrics by LIN-MANUEL MIRANDA & AMANDA GREEN

Campbell is cheer-royalty at Truman High School and her senior year should prove the most cheertastic – she’s been named captain of the squad! But, an unexpected redistricting has forced her to spend her final year of high school at the neighboring hard-knock Jackson High School. Despite having the deck stacked against her, Campbell befriends the dance crew girls and, along with their headstrong and hardworking leader, Danielle, manages to form a powerhouse squad for the ultimate competition for the National Championships."

Our summer stock musical is geared specifically toward teen actors! We will also offer some great workshops as well. These workshops will be outside of the regular rehearsal time and will cover a variety of topics. All participants are in the show but will be run through the audition process for casting purposes. There will be some additional Saturday rehearsals to be determined at a later date.

Our Specialized Recreation staff encourage participation and assist in promoting positive experiences to develop appropriate recreational and social skills participants can use throughout their lifetime. An activity calendar is printed every three months with a detailed description of the various activities planned for that quarter. To receive a calendar, call 253-931-3043 or visit www.auburnwa.gov/play.
