All City of Auburn Specialized Recreation Programs are currently suspended through the end of March 2020 due to concerns surrounding the COVID-19 Virus.

Our number one priority is the health and safety of all of our participants, their families, caregivers and staff.

Public Health recommends that people at higher risk of severe illness should stay home and away from large groups of people as much as possible, including public places with crowds, and large gatherings where there will be close contact with others.

Please check www.auburnwa.gov/covid19 for updated information, including possible registration start dates.
