PLANTS AND YARD DEBRIS

Including:
- Plants, grass clippings, and weeds
- Leaves, trees, branches, and roots

NO COOKING OIL, PET WASTE, GLASS, METAL, PLASTIC, OR LIQUIDS.

BE A FOODCYCLER!

It’s easy to do!
Here’s what you can use to collect food scraps before you add it to your compost cart:

1. A stylish compost pail.
2. A reusable kitchen container, such as an old pitcher.
3. A paper bag or an approved compostable bag.

Empty collected food scraps into your compost cart. Your compost cart will be picked up on your next collection day.

Extra Yard Waste: There is a charge for extra yard waste. Put extra yard waste in large yard and leaf paper bag or 32-gallon containers with handles and lids (65 lb. limit); label “yard”. Use the yard and leaf paper bags to store extra yard debris only. Food scraps and uncoated paper must be placed in the compost cart.
